## The Medicus IT Difference

Supporting healthcare practices so they can focus on what matters most: their patients.

Medicus IT (MIT) is one of the most extensive managed services providers in the nation specializing in healthcare IT. With an unwavering belief that people are the priority, MIT sets itself apart from other providers. This serves as the foundation for every decision we make and every aspect of service we deliver to our clients. MIT is an award-winning organization with total commitment to “doing ‘IT’ right” during every step and interaction.

By developing a team of expert technicians, we are easing the burden of technology to save providers’ energy for patient care.

We have used Medicus IT since going on our eClinicalWorks system in 2008. They have provided wonderful service to us over the last decade. They are always professional, prompt, and keep us up and running. We rely on them totally for all of our IT needs. Can't say enough how much we appreciate their excellent customer service!

Tom, Pediatric Specialist in Georgia
