

STABILITY

Premium quality **countertop** base.

VAULT's STABILITY Base is a well-crafted, robust foundation for your tablet enclosure. Pairing this base with the VAULT PRO enclosure and docuvue card tray make for a stream lined check in process.

VESA Alignment

Stability Base is VESA compliant with standard 75mm and 100mm alignment.

Advanced Wire Management

Keep wires out of sight with advanced wire management.

Docuvue Scanning

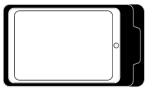

Line up photo ID's & insurance cards with the rear camera of the iPad.
