STREAMLINED COLLECTIONS FOR YOUR PRACTICE

For nearly 50 years, TSI has developed an expertise in collecting for the healthcare industry.

A patient-first, empathetic approach to collections

65+ compliance specialists that stay on top of the latest rules and regulations, so you can focus on your practice

Our cyber security compliance certifications help keep your patients' data safe

As a partner of eClinicalWorks since 2007, we're able to bring our joint clients an unparalleled collections solution:

Over 1,500 joint clients

First- and third-party collection services

<\$10

Preferred fixed-fee pricing of \$10 or less per account

No setup costs

And now, following up on your past due accounts just got easier with our brand new interface:

- Full integration for both account based and claim based clients
- Select the data fields you want to send
- Option to automate collections - select the criteria and accounts will auto transfer
- Automatically posts payments
- Ability to import and ePost Collection Remits eases monthly accounting

To speed up your past due payments and lower internal costs with this easy to use, automated solution for your practice, contact TSI today.
