

Proposed Guideline Update

Sponsors may conduct raffles for items valued at **more than \$15 and less than \$99**, provided the following conditions are met:

- The item must be submitted to and approved by Compliance prior to the event.
- Approved items may be raffled off to attendees during Expo Hall hours.
- Sponsors may conduct **one raffle per hour** while the Expo Hall is open.
- For example, if the Expo Hall is open from **8:00 AM to 6:00 PM**, a sponsor could conduct up to **10 separate raffle drawings** throughout the day for an approved item, as long as the item's value does not exceed **\$99**.
- Attendees must voluntarily enter the raffle.
- All other conference giveaway and compliance policies remain in effect.

Follow-Up Action

- Locate or recreate the existing raffle/compliance guidelines document.
- Update the document to reflect the revised raffle policy.
- Send the revised version to Darren for final review and approval before distribution to sponsors.
